

M Series 5.25" Speakers

Innovative Design

Visually Appealing

Competitively Tested

Award-Winning

M Series starts with an ear toward the details. Creating a better-sounding speaker through careful material selection. Unlike any other speaker line on the market today, the ELAN line offers unmatched, model-to-model consistency.

Visually distinctive, M Series is characterized by very flat wall profiles, ultra-white finish, fine mesh grills, slim perimeter trims and a taller, sleeker look on the in-wall product. The look is noticeably classy.

Lab testing of the top competitors in the in-wall/in-ceiling speaker field was conducted to design winners in each category that ELAN offers. A lifetime warranty reflects the confidence ELAN has in its quality and is your assurance of years of listening enjoyment.

So profound, the industry is recognizing ELAN's new line—M Series won two Distributed Audio Awards at the Electronic House EXPO.

3 Levels of Performance

MP525W

Level 4 Premium

With a woven glass fiber cone, aluminum magnesium tweeter and a Linkwitz Riley crossover network, the **MP525W** utilizes the finest acoustical materials available. Excellent punch and outstanding mid-bass articulation combine with impressive upper mids, highs and stereo imaging to produce a listening experience that will satisfy even the most seasoned audiophile. The MP525W is also the perfect match for the MP800S Passive Subwoofer.

MM525W

Level 3 Mainline

Maximum performance – reasonable price. Using materials normally found in speakers twice the price, the **MM525W** has smooth highs, transparent mids, tight bass and features a pivoting tweeter and treble adjustment switch that allows you to place them almost anywhere.

MM525C

For distributed audio applications, it just doesn't get any better than this! The **MM525C** uses the same materials and has the same sonic performance and features as its in-wall counterpart, yet was designed for applications where a compact, high-quality ceiling speaker is needed.

ME525W

Level 2 Entry

Don't let its diminutive size (and price!) fool you. The **ME525W** offers exceptional imaging, pristine highs and surprising mid-bass punch. Ideal for guest rooms, bathrooms and other secondary listening areas, this in-wall model with pivoting tweeter outperforms all other speakers in its class!

ME525C

A pleasure to listen to, the **ME525C** is an excellent choice for those looking for a small, yet powerful, ceiling speaker with performance far superior to comparably priced models. Perfect for kitchens, utility rooms and other secondary listening areas.

All M Series models are designed for indoor and outdoor use. Common pre-construction brackets and hole cut sizes allow all levels to be upgraded without the need to change the hole size. ELAN speakers are a perfect match for ELAN's technology-leading sound systems. **Hear the difference . . . listen with ELAN.**

Limited Lifetime Warranty

ELAN HOME SYSTEMS, L.L.C. ("ELAN") warrants to the original retail purchaser only that all M Series speakers and speaker brackets will be free from defects in materials and workmanship, provided that the product was purchased from an authorized ELAN Home Systems Dealer.

If the above purchaser discovers such item was not as warranted above and promptly notifies ELAN in writing, ELAN shall repair or replace the items at the company's option. This warranty shall not apply (a) to equipment not manufactured by ELAN, (b) to equipment which shall have been installed by other than an authorized ELAN installer, (c) to installed equipment which is not installed to ELAN's specifications, (d) to equipment which shall have been repaired or altered by others than ELAN, (e) to equipment which shall have been subjected to negligence, accident, or damage by circumstances beyond ELAN's control, including, but not limited to, lightning, flood, electrical surge, tornado, earthquake, or any other catastrophic events beyond ELAN's control, or to improper operation, maintenance or storage, or to other than normal use of service. With respect to equipment sold by, but not manufactured by ELAN, the warranty obligations of ELAN shall in all respects conform and be limited to the warranty actually extended to ELAN by its supplier. The foregoing warranties do not cover reimbursement for labor, transportation, removal, installation, or other expenses which may be incurred in connection with repair or replacement.

Except as may be expressly provided and authorized in writing by ELAN, ELAN shall not be subject to any other obligations or liabilities whatsoever with respect to equipment manufactured by ELAN or services rendered by ELAN.

THE FOREGOING WARRANTIES ARE EXCLUSIVE AND IN LIEU OF ALL OTHER EXPRESSED AND IMPLIED WARRANTIES EXCEPT WARRANTIES OF TITLE, INCLUDING BUT NOT LIMITED TO IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.
