

# M Series Specialty Speakers

Innovative Design

Visually Appealing

Competitively Tested

Award-Winning

M Series starts with an ear toward the details. Creating a better-sounding speaker through careful material selection. Unlike any other speaker line on the market today, the ELAN line offers unmatched, model-to-model consistency.

Visually distinctive, M Series is characterized by very flat wall profiles, ultra-white finish, fine mesh grills, slim perimeter trims and a taller, sleeker look on the in-wall product. The look is noticeably classy.

Lab testing of the top competitors in the in-wall/in-ceiling speaker field was conducted to design winners in each category that ELAN offers. A lifetime warranty reflects the confidence ELAN has in its quality and is your assurance of years of listening enjoyment.

So profound, the industry is recognizing ELAN's new line—M Series won two Distributed Audio Awards at the Electronic House EXPO.

## 3 Levels of Performance

MP800D

### Level 4 Premium

ELAN's top-of-the-line **MP800D Dual Channel Speaker** provides exceptional off-axis midrange and high frequency response, as well as impressive bass with plenty of punch. Perfect in any application where minimal space is available and maximum performance is desired.

The **MP800 In-wall Subwoofer** is highly recommended for installations where a conventional "box" subwoofer is not practical or desirable. Ideal for supplementing the low frequency output of MM525W/C and MM650W/C, as well as MP525W and MP650W/C models.

MP800S

MM650D

### Level 3 Mainline

The **MM650D** is ELAN's "step up" **Dual Channel Speaker**. Dual 13mm silk dome tweeters are mounted at opposite angles to provide outstanding off-axis dispersion and superb high frequency detail.

ME525D

### Level 2 Entry

This entry-level dual channel speaker reproduces the full range of audible frequencies. The **MP525D Dual Channel Speaker** is an excellent choice for bathrooms, walk-in closets, hallways, and other locations where using two separate speakers isn't desirable or practical.

## M Series...A Perfect Match

All M Series models are designed for indoor and outdoor use. Common pre-construction brackets and hole cut sizes allow all levels to be upgraded without the need to change the hole size. ELAN speakers are a perfect match for ELAN's technology leading sound systems. **Hear the difference . . . listen with ELAN.**

**"When ELAN went solo, it took speaker development in-house. In a market known for cookie-cutter designs, ELAN broke the mold."**

**—Audio Video Interiors, Going ELAN, by Rebecca Day**

## Limited Lifetime Warranty

ELAN HOME SYSTEMS, L.L.C. ("ELAN") warrants to the original retail purchaser only that all M Series speakers and speaker brackets will be free from defects in materials and workmanship, provided that the product was purchased from an authorized ELAN Home Systems Dealer.

If the above purchaser discovers such item was not as warranted above and promptly notifies ELAN in writing, ELAN shall repair or replace the items at the company's option. This warranty shall not apply (a) to equipment not manufactured by ELAN, (b) to equipment which shall have been installed by other than an authorized ELAN installer, (c) to installed equipment which is not installed to ELAN's specifications, (d) to equipment which shall have been repaired or altered by others than ELAN, (e) to equipment which shall have been subjected to negligence, accident, or damage by circumstances beyond ELAN's control, including, but not limited to, lightning, flood, electrical surge, tornado, earthquake, or any other catastrophic events beyond ELAN's control, or to improper operation, maintenance or storage, or to other than normal use of service. With respect to equipment sold by, but not manufactured by ELAN, the warranty obligations of ELAN shall in all respects conform and be limited to the warranty actually extended to ELAN by its supplier. The foregoing warranties do not cover reimbursement for labor, transportation, removal, installation, or other expenses which may be incurred in connection with repair or replacement.

Except as may be expressly provided and authorized in writing by ELAN, ELAN shall not be subject to any other obligations or liabilities whatsoever with respect to equipment manufactured by ELAN or services rendered by ELAN.

THE FOREGOING WARRANTIES ARE EXCLUSIVE AND IN LIEU OF ALL OTHER EXPRESSED AND IMPLIED WARRANTIES EXCEPT WARRANTIES OF TITLE, INCLUDING BUT NOT LIMITED TO IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.
